The petite beauty from Crimea demonstrates her ability to render a uniquely emotional version of Ukraine's national anthem

KYIV, Sept 22, 2013 (UBO) – Most Ukrainians know Zlata Ognevich as Ukraine's representative in the most recent Eurovision Song Contest where her amazing singing ability and unique staging brought her third place. However, Ognevich recently proved her ability to deliver an extremely emotional version of Ukraine's national anthem before an unusual audience – at a boxing match.
