Significant gains by Agrokultura AB and MHP lead Thursday's positive parade

News and commentary from *Ukraine Business Online* KYIV, Oct 4, 2013 (UBO/UkrAgroConsult) — Thursday trading ended with the UAIndex composite capitalization at 4,103.64 up +0.44% for the day and +4.35% for the last 30 days. Best Performer for the day was Agrokultura AB, up +4.52% on trade of 150,687 shares. The day's bottom feeder was the ever-erratic Agroton, down -1.88% on trade of 148,212 shares. Thursday's Volume Leader was the poultry giant — and Ukraine's highest market cap listing — MHP, up +1.09% on trade of 246,838 shares. In ag sector news of particular interest, Ukraine's largest bank, Privatbank said it will increase its already quite substantial financing for the agrarian sector by 25%.
