A new phase in the war

By Brian Whitmore for RFE-RL Ukraine takes Russia to court over the war in the Donbas. And a blockade in eastern Ukraine ups the stakes in that war. On this week's Power Vertical Briefing, we look at Ukraine's case against Russia in the International Criminal Court in The Hague and the Ukrainian nationalist blockade of separatist-held areas. Joining me is RFE/RL's News Editor Steve Gutterman. Access this weekly Briefing at the link below: [http://www.rferl.org/a/briefing-raisi ...
