

The Daily Vertical: Absurdity Can Be Deadly Opinion

Posted by:

Posted on : 2017/5/5 23:31:12

In this Daily Vertical Brian Whitmore expounds on the Kremlin-financed propaganda machine that sucks up Russian state budget rubles by the billions and then churns out misinformation and lies designed to support Putin's obsession that Russia remains a great power and should have veto power over any proposal in the UN or any other international body.
