### **The Ukraine government was given a one-month deadline to establish the rules of registration in Ukrainian territory for all foreign citizens**

By Sergei Bobylyov/TASS KYIV, September 1. /TASS/. Ukrainian President Petro Poroshenko has signed a decree to introduce biometric control of all foreign nationals, including Russians, who cross the country's border starting from January 1, 2018. The government was given a one-month deadline to establish the rules of registration in Ukrainian territory for all foreign citizens, including Russians, and stateless persons. The list of so-called migration risk states is to be updated and Russia included in it. [⋮] <http://tass.com/world/963185>
