The Super Loto game gains popularity among the Ukrainians precisely because of its huge jackpots.

KYIV, July 5, 2012 (UBO) &ndash; A resident of Dnipropetrovsk managed to guess 6 cherished numbers in the Super Loto lottery and on Wednesday, July 4, tore the second largest jackpot in the history of Ukrainian lotteries - UAH 14,100 million, the Ukrainian National Lottery said. The Super Loto game existed since 2001 and has gained popularity among the Ukrainians precisely because of its huge jackpots. In the history of the game, 58 jackpots have been torn, the largest of which UAH 15,200 million broken in 2007 by a resident of Ternopil," the report said.
